

Homeless Management Information System

The Homeless are amongst the most vulnerable in the community. Give them adequate care and superior services so that homelessness is never permanent or problematic.

To improve outcomes and services, we bring you: PlanStreet.

- ✓ Easy Intake
- ✓ Goals Setting
- ✓ Continuum of Care
- ✓ Adaptability to HUD Guidelines
- ✓ APR and CAPER Reports
- ✓ HIPAA and FedRAMP Compliant

PlanStreet HMIS collects and aggregates client specific, confidential information on local homeless populations. PlanStreet serves as the HMIS for public sector agencies and nonprofit organizations for the following programs:

**Supportive
Housing**

**Affordable
Housing**

**Behavioral
Health**

**Food
Pantry**

**Financial
Support**

Information gathered on the above programs is collected and organized and can be shared with federal and state agencies to assess needs and secure funding.
