## SUPPORTING VETERANS PROGRAMS, INCLUDING:

### **SUPPORTIVE HOUSING**

Streamline your supportive housing programs by consolidating data, offering real-time analytics, and custom reports.

### **MENTAL HEALTH**

Track programs and services rendered for each client via our case board. Access our Patent Portal for scheduling, document sharing, and more.

### **HOMELESSNESS**

Easy data collection and inventory tracking. Simple referral process to refer clients to 3rd party organizations for additional services.

### **FAMILY SUPPORT SERVICES**

Our configurable software allows you to cater to every family's unique situation. Assist with child care, housing, and other areas within one centralized system.

## **WHY CHOOSE PLANSTREET?**

Discover the industry-leading case management solution with PlanStreet Veterans Case Management.

Our software prioritizes impactful solutions tailored to veterans' needs. With our intuitive platform, organizations can efficiently manage cases, collaborate seamlessly, and access vital information securely.
