

WORKFORCE SOLUTIONS CASE MANAGEMENT SOFTWARE

Designed for workforce boards and state workforce agencies to focus on the individual needs of each client.

HELP PEOPLE RETURN TO THE WORKFORCE

PROGRAM MANAGEMENT

Assign clients to programs and track their progress using our robust case board and case notes features.

USER-FRIENDLY INTERFACE

Our intuitive interface ensures easy navigation and understanding, catering to users of all skill levels.

ENROLL IN TRAINING

Easily add clients into selected training courses and track their attendance. All information is automatically updated in each client's individual case file.

COMPREHENSIVE ASSESSMENTS

Along with program and course tracking, you have the ability to assess the success and completion through select criteria.

CENTRALIZED DATA

Consolidate all data sources into one central location, along with access to real-time analytics and custom reports using Microsoft Power BI.

RELIABLE SECURITY

Maintain compliance and ensure all data is encrypted on our secure software.

Harnessing Local Talent for Community Growth

PlanStreet enables the delivery of personalized services that cater to the unique needs of the local workforce, employers, and larger communities.
